

Rig Movement – Dubai to Thailand & Houston to Thailand

The logistics expertise and capabilities of Hayleys Energy Services (HES) in the oil & gas industry was recently displayed, when we were tasked with shipping drill rig components and its accessories from Middle East to Far East.

The on-site presence of our team of experts, throughout the maneuvering of the rig components was a major catalyst in ensuring a smooth operation. The project was completed successfully, meeting the strict deadlines of our clients and ensuring the health and safety of our people and the cargo, adhering to strict health and safety procedures at all times.
